

Silent Auction!

Award winning Fenton designer J.K. "Robin" Spindler has used all of her great talents and remarkable skills to develop the exotic, yet adorable "Bengal" Chessie Box.

The Chessie Box has been a Fenton collector favorite since the 1970s, and it's been produced in many colors but we think the "Bengal" Chessie Box is one of the most beautiful and interesting we've ever made!

The cover is iridized ruby glass, and Robin used special masking, satin finishing, and handpainting techniques to create the attractive geometric motif.

The base of the "Bengal" Chessie Box is Opal Satin glass, and Robin blended paint colors to create a rich red hue that matches the cover. The pictures of the exotic Bengal Chessie Box are worth lots more than a thousand words, as you can see!

This Silent Auction is for Robin's "designer sample"... numbered (#1/30) and the opening bid is \$175.

The remaining 29 Exclusive "Bengal" Chessie boxes handpainted by Robin will be limited to one per person at our Customer Appreciation Event!
